Elements of Strong Partnerships

▶ **Jointly designed programs**

- Culturally responsive, relationship based, and bilingual
- Data driven and client-based
- Aligned with goals of the schools
- Wraparound case management

▶ **MOU w/clear expectations**

- Everyone knows their role
- Everyone is clear on what they will deliver

▶ **Regular communication and data reviews**

- Updates on critical students/families
- Part of mailing lists so we know about important school events to communicate to parents
- Meet after Q2 and Q4 grades and benchmarks to discuss how to provide additional support to students
