

# Community Grants and Grants Management Reform Survey

January 4, 2023

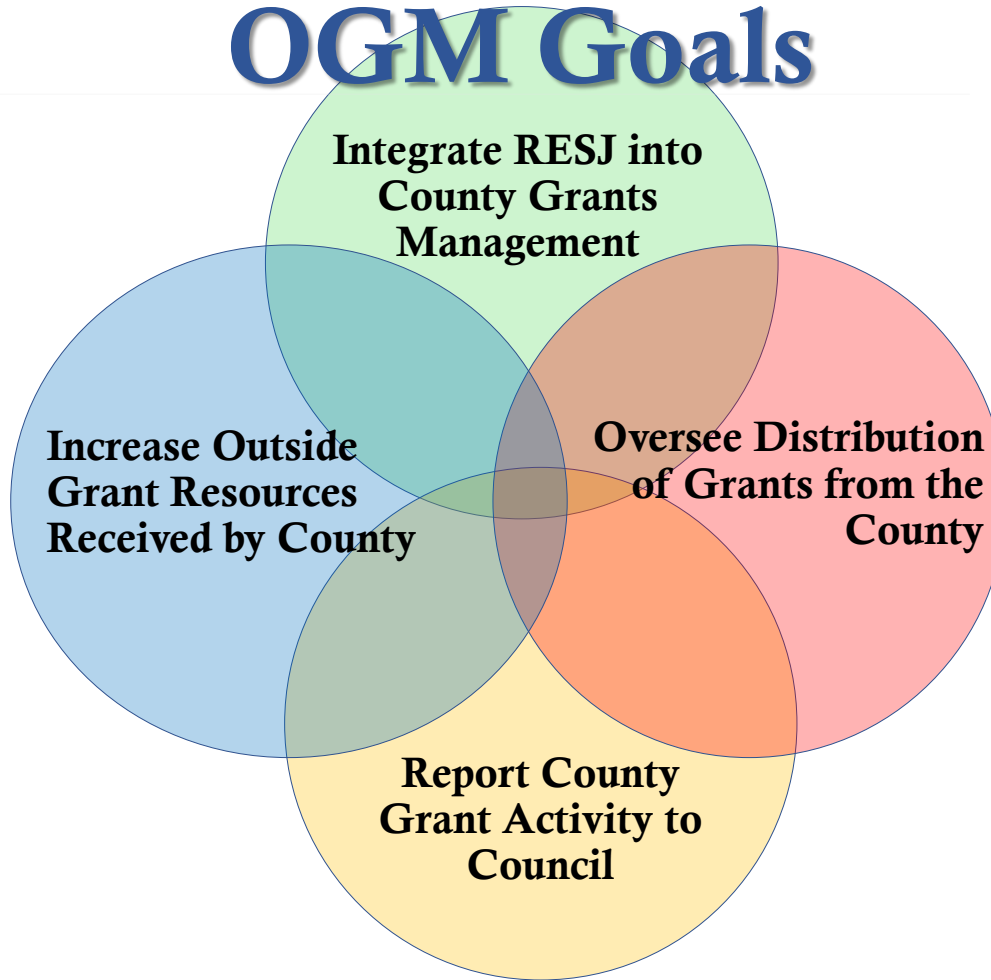

---

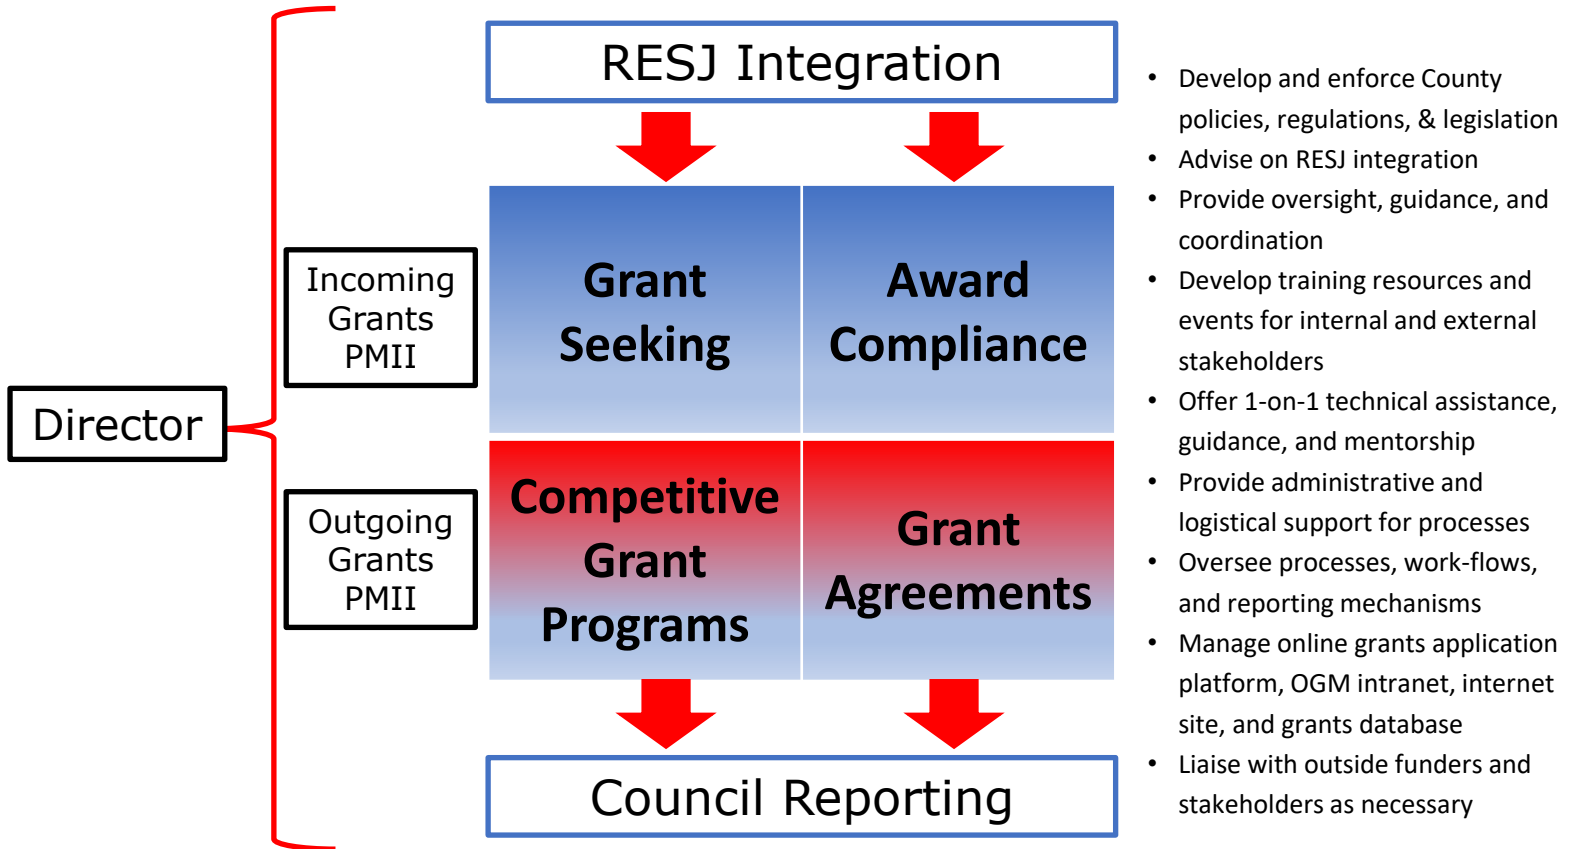

*Prepared by Montgomery County Office of Grants Management*

# OGM Goals

# OGM Services to MCG

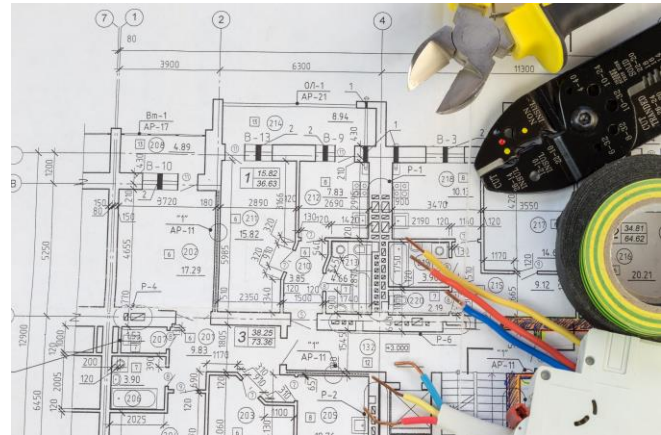

# Difference between a Procurement Contract & Grant

## Procurement Contracts (Office of Procurement)

Benefits from established...

- Legislation and regulations
- Set policies and procedures
- Experience in implementation
- Use in different contexts
- Institutional knowledge
- Training materials

## Grant Agreements (Office of Grants Management)

***OGM is collecting feedback from both internal and external stakeholders to develop parallel regulations, policies, processes, and services for grants.***

# CG&CM Reform Survey Goals

## **Solicit County nonprofit community feedback to:**

1. Guide reforms of the Community Grants structure, process, timeline, and goals;
2. Inform the development of the County's competitive grant program regulations, policies, procedures, & support resources;
3. Inform the development of the County's grant agreement regulations, policies, procedures, and support resources;
4. Gain a broader understanding of the needs of our nonprofit partners to make the grants transition a success.

# Survey Structure

- Basic organizational information on size and activities;
  - Four open-ended questions addressing the four main goals with context and optional “guiding questions”;
  - Racial and ethnic data on the nonprofit’s leadership, both Executive Director and Board.
- 
- *Request one response per organization, please coordinate within your organization and submit.*
  - *Survey closes Thursday February 16, 2023 at 9:00 AM.*

# Core Survey Questions

- 1. From your perspective, what would an ideal Community Grants process look like?**
- 2. What characteristics should other County nonprofit competitive grant programs have?**
- 3. What characteristics should County grant agreements have?**
- 4. How should the County support nonprofits as they apply for and win grant agreements?**
