

WORKFORCE DEVELOPMENT PROGRAM

GapBuster, Inc. seeks to strengthen the Montgomery County and Prince George’s County workforce via a people-first approach, by developing skilled workers to increase community morale and productivity. GapBuster Inc. recognizes that training, skill development, continuing education, and career pathways opportunities are proven ways to maximize career readiness, job placement success.

GapBuster, Inc. leverages its community partnerships to connect individuals seeking career growth and development within construction and IT. In 2023, GapBuster will expand to the entrepreneurship field.

WE OFFER

ON-THE-JOB CONSTRUCTION TRAINING

Through our partnership with A1 Finishers LLC, interested clients gain access to quality on-the-job construction training. A-1 Finishers LLC provides hands-on training in residential and commercial construction and renovations onsite at actual construction sites. Training entails; demolition, framing, drywall installation, mudding, tile flooring, painting and more. Candidates earn as they learn and develop their skill set. Once clients graduate from training, A-1 Finishers LLC leverages their relationships with developers and construction companies to assist promising clients in finding suitable employment upon completion of the program.

CONTINUING EDUCATION IN IT: COMPTIA A+

Currently GapBuster, Inc. offers an intensive 24-week, high-quality course in Comptia A+. This course is designed for those that are working and looking for an entry point into the field of IT. The industry of technology makes up 9.4% of the Maryland economy according to The 2022 Maryland State of the Tech Workforce report from the The Computing Technology Industry Association (CompTIA). The report also states that, In Maryland the “median annual salary of \$105k the tech industry trails the overall job market in diversity.” GapBuster is committed to training individuals from communities that traditionally have not received equitable access and exposure to the tech sector.

15825 Shady Grove Rd. STE 30
Rockville, MD 20850

Our hybrid course offers those continuing their education while working flexibility, to join class synchronically led by an experienced instructor and the opportunity to attend hands-on in-person learning as well. Once students successfully complete the program they will possess the knowledge required to earn the Comptia A+ certification upon passing the examination.* Currently GapBuster, Inc. is able to offer this course (worth approximately \$5,000) to qualifying individuals for free or at little to no cost.**

GapBuster, Inc. in partnership with IT-Buster is a Workforce Innovation and Opportunity Act (WIOA) Occupational Training Provider for the State of Maryland and we currently offer an intensive 24-week, high-quality course in ComptIA A+.
