

Nonprofit Montgomery Meeting

MCPS Community Schools

What is a Community School?

“A public school that establishes a **set of strategic partnerships** between the school and other community resources that promote **student achievement, positive learning conditions**, and the **well-being** of students by providing **wraparound services**.”

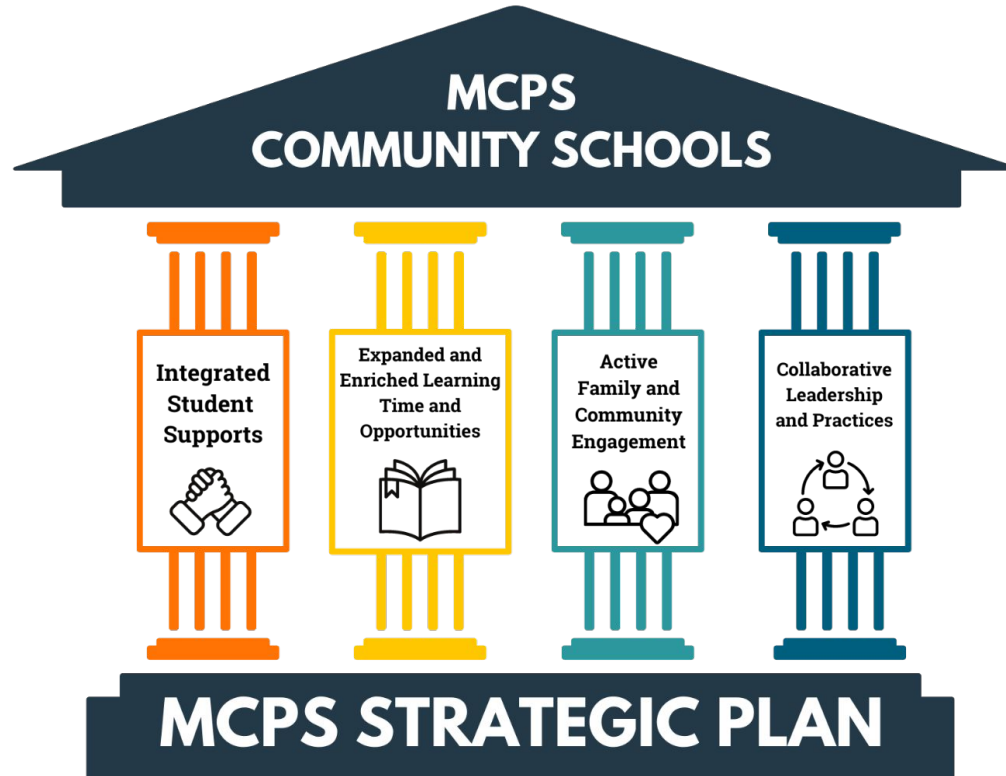

- Blueprint for **Maryland’s Future Legislation (HB 1372)** created Community Schools (CS), under **Pillar 4**:
 - ◆ More Resources to Ensure All Students Are Successful
- Blueprint funds the through **Concentration of Poverty Grants**
 - ◆ Beginning at 85% poverty and over the years down to 55%
- Through partnerships; coordinates needed wraparound services
- Data to be collected annually, statewide on Progress and Impact

4,397 Duplicated Children
2,864 Unique Individuals
8,753 Duplicated Individuals

MCPS Family Markets

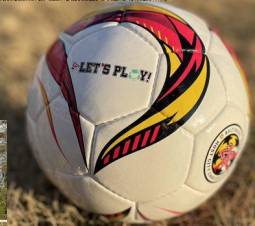

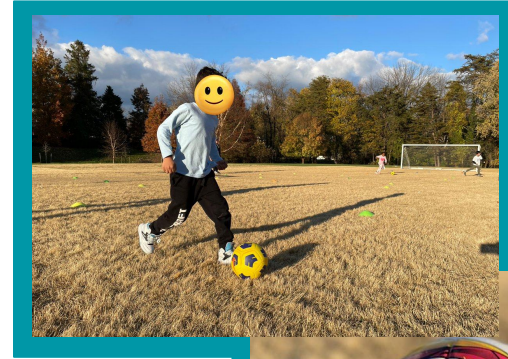

TOTALS
7,151 Households
17,914 Children
33,435 Individuals

Let's Play After School Soccer

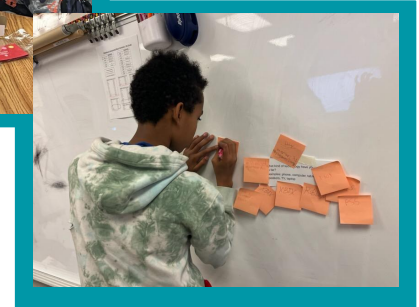

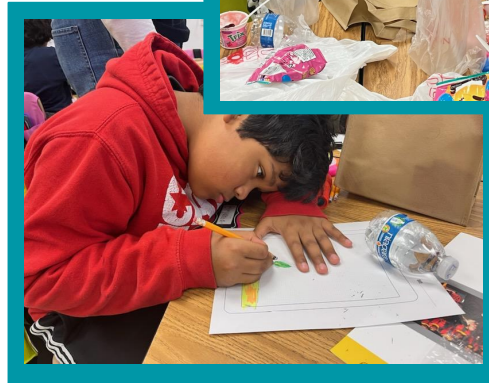

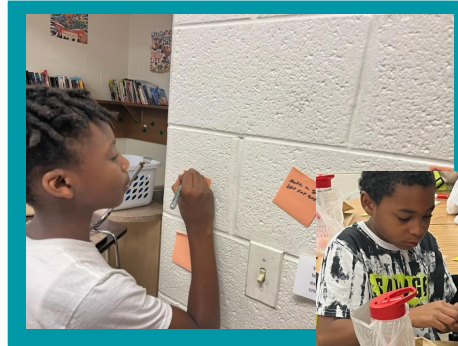

- Started Fall 2021 at Jackson Road Elementary School with **40 children**
 - ◆ Quickly expanded to **80 children across 2 days** due to overwhelming demand.
- Since that time we have **expanded to 8 MCPS elementary schools**.
 - ◆ We **expect up to 540 children** to participate across those 8 schools this spring.
- In **total**, since the program's launch in the fall of 2021, up to and including this spring, we would have operated in **9 MCPS schools** and **served over 1,200 children**.
- **Cleats given** out since inception: **730**
- **Soccer Balls given** out since inception: **730**

UMD Shady Grove STEM Club

- 1st iteration of the STEM Club partnership
- 20 students signed up which was a high turn out
